Dear Harold,

Enclosed you will find a copy of Livingstone's new letter to me. I got it in the mail a while ago but I forgot to send it to you. I figured that you would like it for your collection on him.

I am leaving for Dallas to see Leavelle in march, around the 23rd, I will also be near Maryland soon after. I am visiting a book store that is near by. I suppose I would not be able to stop by and visit with you, would I?

I am thinking of reading about MLK and his assassination, could you please send me a price for your book on the King Assassination. I am going to start with your book this time, instead or reading the bull crap books. Thanks
Take care of your self and please say hello to your wife.

Your Friend,
Cal Schoonover

Ps. I still had no responce from Leavelle, I will call him before I leave for Dallas.
